Friend Wallace:

Check received, Thank You.

Yes we owe Cobbett the \$20.40 this is for the work done on the 25 yd pistol range and in building up the bank for the 300. I am sorry that we can't send it to him before the first of the year as I think he is depending on it having called at the house several times to get it last week.

Will you send this notice of application to Crocker as you have his address on the application.

Han't we ought to send in an entrance for a team to shoot on the N. R. A. Matches this week. You, Gibbons, Sipprelle and myself are sure and we can scrape up one more surely.

series
~~series~~ I am writing to Bangor that we will shoot them a ~~series~~ of matches starting next week, 1st prone and sitting, 2nd prone and kneeling and third prone and standing. This will give us good practice in the positions we are weak on and also perhaps interest some of the others. I am also writing to United Shoe Machy Ath Asso. stating that we will take them on in January for a match at 25 yds iron sights. This might lead up to a good outdoor series, which I have always felt ought to be done to awaken a larger interest at Walnut Hill.

Yours truly,

Henry M. Binney
